

**MTF October 2020 Meeting
Health Safety Net Call Q&A
October 19 & 30, 2020**

Q1. Is HSN going 90-day retro during COVID, like MassHealth, especially temp HSN for 90 days with QHP? We are still doing HSN medical hardships now, but if we can get that retro covered it will help?

A1. This is currently a MassHealth only policy.

Q2. Is the newly covered Shingrix vaccine payable in the medical office setting or just through clinical pharmacy?

A2. Health Safety Net will now allow CHCs to bill for Shingrix, the new zoster vaccine (CPT 90750). This vaccine will be reimbursed at \$112.38.
